Dr. Ed Etor, Editor Name of Journal Street Address City, State zipcode

Dear Dr. Etor:

Please find enclosed a manuscript entitled: “An Empirical Comparison of three Computational Approaches for Minimizing Losses on Electricity Distribution” which I am submitting for exclusive consideration of publication as an article in IEEE Transactions on Power Delivery.

The paper demonstrates As such this paper should be of interest to a broad readership including those interested in [what kinds of research, topics, techniques - should be those targeted by the journal].

Thank you for your consideration of our work.

Sincerely,

João Carlos. H. Moreira, M.Sc.
